

To The Fairgrounds

An aerial photograph of a large fairground complex. In the center is a green oval racetrack with a small pond in the middle. To the right of the track is a large parking lot filled with many cars. To the left of the track are several large, light-colored buildings, likely fairground structures. The complex is surrounded by a dense urban area with many houses and trees. In the background, a body of water (the ocean) is visible, with waves breaking on a sandy beach. A river or canal flows through the lower left corner of the image.
