

A festive Thanksgiving dinner spread is shown. In the center is a large, golden-brown roasted turkey. To its left is a large platter of stuffing, and to its right is a platter of vegetables including corn, carrots, and green beans. In the foreground, there is a large basket of soft, golden-brown bread rolls. The background features two silver salt and pepper shakers and some dried red berries. The text "Minutes Away" is written in a large, stylized, orange font with a purple outline, slanted across the image.
