

It's Time For New Resolutions

A New Year's resolution is something that goes in one year and out the other. ~Author Unknown

Dancing at the Mistletoe Ball

PRESIDENTS MESSAGE...

Our Christmas dance, the Mistletoe Ball, was well attended and the band did an excellent job. Sometimes I felt like St. Nick was just in the next room but perhaps it was Leroy taking care of things.

We hope your Christmas festivities were all you hoped for and that this new year will bring us many more dances and perhaps some new friends and members.

Wishing everyone a very prosperous new year and the willpower to keep those pesky resolutions!!

See you on the 18th of January with Howard Solomon!

*Larry Isham,
President*

NEW YEAR'S THOUGHTS...

New Year's Eve is like every other night; there is no pause in the march of the universe, no breathless moment of silence among created things that the passage of another twelve months may be noted; and yet no man has quite the same thoughts this evening that come with the coming of darkness on other nights.

~Hamilton Wright Mabie

WHAT YOU NEED TO KNOW

The January 18th dance will be at the Petroleum Club and will feature The Howard Solomon Band.

The cost is \$74/couple (includes tax/tip).

No-host cocktail time is at 6 pm and great dance music until 10 pm. Dress code is semi-formal

Prepare To Be Greeted

Nick Thomas & Kay Quick

WHAT A GREAT DANCE!

Tripping the light fantastic

Miles of smiles

Guests Roy and Dorri

Guests Gary and Marion Grey

JANUARY? HOW INTERESTING!

January (JAN-ew-AIR-ee) is the first month of the year in the Julian and Gregorian calendars and one of seven months with the length of 31 days. The first day of the month is known as New Year's Day.

It is, on average, the coldest month of the year within most of the Northern Hemisphere (where it is the second month of winter) and the warmest month of the year within most of the Southern Hemisphere (where it is the second month of summer).

In the Southern hemisphere, January is the seasonal equivalent of July in the Northern hemisphere.

January starts on the same day of the week as October in common years, and starts on the same day of the week as April and July in leap years.

In a common year, January ends on the same day of the week as February and October, and ends on the same day of the week as July in a leap year.

January, from the Très Riches Heures du Duc de Berry

YOUR BOARD

President	Larry Isham
Vice President	Dean Fronk
Past President	Jerry Ellis
Secretary	Lori Fronk
Treasurer	Diane Schmitz
