

## It's The End Of Our Dance Season

*If you dance with your heart, your body will follow...*

It's time to dance

Spring is nature's way of saying, 'Let's party!'

### **PRESIDENTS MESSAGE...**

We missed you at the last dance as I was surprised with a medical condition that popped up suddenly. All is better now and I am looking forward to seeing you at the next and final dance of the season.

From what I hear we had a small turnout and need to work a little harder at bringing guests and ourselves.

It seems this dance season went very fast but that's what happens when you are having fun!

Our next dance features The Time Machine and it is a formal affair with emphasis on celebrating Memorial Day.

We reminded you that we are looking for some new Board

members specifically the Treasurer and Secretary. We did get a volunteer to become treasurer. Kathy Roberts was so kind as to volunteer!

Make sure you all do your visiting because the next dance after May is in September.

See you soon and have a great summer!

*Larry Isham,  
President*

The following are the first words to which dance songs?

- You move it to the left
- My baby moves at midnight
- Before this dance is through
- Heaven, I'm in heaven
- Three nights ago I was at a disco
- Hot sun beating down.

The following lines are spoken at the close of which popular film?

"Teach me to dance will you"  
 "Dance, did you say dance? Come on my boy!"

**WE DO LATIN...**

Latin dance is a general label, and a term in partner dance competition jargon. It refers to types of ballroom dance and folk dance that (with few exceptions) originated in Latin America.

The category of Latin dances in the international dancesport competitions consists of the cha-cha-cha, rumba, samba, paso doble, and also the jive of United States origin.

Social Latin dances include salsa, mambo, merengue, tumba, bachata, bomba, plena, and the Argentine tango. There are many dances which were popular in the first part of the 20th century, but which are now of only historical interest..
