

It's A New Year!!! More Dancing Needed!

*"Tomorrow, is the first blank page of a 365 page book.
Write a good one."*

The Mistletoe Ball 2015 had several Starlighters join us

Christmas isn't a season. It's a feeling.

PRESIDENTS MESSAGE...

Where did that last year go? It seems to have passed in a flash! That's OK because we have another great dance year ahead of us!

The Petroleum Club was beautifully decorated for the Mistletoe Ball and we had 79 people. Thank's to several other dance clubs, we achieved our goal and also have two new members!

Special thanks to Kathy Roberts for the efforts to assure we had more the seventy people with us for the ball.

We had a camera in action at the dance so please visit our website to remember the fun you had at the dance.

It also seems summer finally went away! This year it went from summer to winter in about one week.

We are looking forward to seeing you January 22nd and bring a friend.

Remember: A year from now, you're gonna weigh more or less than or the same as you do right now.

Larry Isham,
President

YOUR NEW YEAR'S EVE??

We had a great time at the **Tracy Wells Long Beach Marriott Airport Hotel** New Years Eve Party. The evening was magical beginning at 6:00 and was still going after midnight.

New Years Resolutions?

A New Year's resolution is a tradition, most common in the Western Hemisphere but also found in the Eastern Hemisphere, in which a person makes a promise to do an act of self-improvement or something slightly nice, such as opening doors for people beginning from New Year's Day.

A 2007 study by Richard Wiseman from the University of Bristol involving 3,000 people showed that 88% of those who set New Year resolutions fail despite the fact that 52% of the study's participants were confident of success at the beginning.

Men achieved their goal 22% more often when they engaged in goal setting, (a system where small measurable goals are being set; such as, a pound a week, instead of saying "lose weight"), while women succeeded 10% more when they made their goals public and got support from their friends.
