

The Valentine's Day Spirit Is In The Air!

"Love is when the other person's happiness is more important than your own."

The dancing kept us warm on this cold California night!

You can't blame gravity for falling in love...

PRESIDENTS MESSAGE...

What a great way to start the year! Visiting with friends we haven't seen since last year, great music, and a delightful evening!

The staff worked hard and made sure the tables were taken care of promptly and the liquid libations were delivered immediately!

Welcome new members! We also had several guest couples and we hope they decide to join in on the fun! Al and Colleen Lum brought two guest couples!

We got some great pictures during the soiree so please visit our website or search Google for "Toppers Dance Club".

Our dance will miss Valentine's Day by a few days but you can wear

your reds as a reminder of the holiday!

Remember: *"True love is like ghosts, which everyone talks about and few have seen."*

This newsletter is Volume 69. That means our September 2016 dance will be our 70th birthday! Bring your ideas to the next dance... Let's do something special!

Looking forward to seeing all of you on the 19th!

*Larry Isham,
President*

NUTS ABOUT LOVE

Driving through Southern California, I stopped at a roadside stand that sold fruit, vegetables and crafts.

As I went to pay, I noticed the young woman behind the counter was painting a sign. "Why the new sign?" I asked.

"My boyfriend didn't approve of the old one," she said. When I glanced at what hung above the counter, I understood. It declared: "Local Honey Dates Nuts" – Contributed by Theodore Bologna
