

## Look Out For Mr. Turkey!

*Thanksgiving is the day men start getting in shape, to play Santa Claus*

### Presidents Message

Friends,

The Holidays are upon us. My wife, Linda, says Thanksgiving is her favorite one of the seasons and a reminder to count her blessings. Thankfulness for me is emotional rather than contemplative and I think it's a driving force in my life.

Thankfulness draws me to want to give back with the gifts that I've been granted. Mostly that has been teaching and training my technical staff at work, but also one of the reasons I volunteered for the position of President at Toppers. I am thankful for the friends I have found at Toppers and happy to serve them. Hope you all enjoy a great Thanksgiving Holiday.

Looking forward to seeing you all on the 16th.

Craig.
