

Turkey Day Is Upon Us... Are You Ready?

OUR 71ST FALL SEASON IS UNDERWAY!

Meet & Greet Goes On For Hours!

"Thanksgiving, after all, is a word of action." - W.J. Camero

PRESIDENTS MESSAGE...

Where does time go... Last week it was Halloween and now it is time for Thanksgiving... and, in a few short weeks it will be time for the 71st Mistletoe Ball.

We hope you invite your friends to the Mistletoe Ball as a big turnout is helpful since the Petroleum Club members no longer attend.

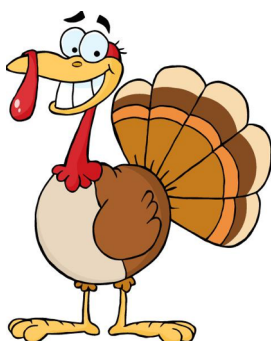

For those of you in other dance clubs, please invite other members in your dance clubs to join us to celebrate this time of year!

Here is a Halloween trick you might want to remember for next year! When cleaning out a pumpkin, take a blade from your hand mixer and put it on an electric drill. Go around the inside of the pumpkin and it

gets cleaned out in a matter of minutes!

We hope your Thanksgiving plans are well underway and that your get stuffed with turkey and all the fixin's.

*Larry Isham,
President*

DID YOU KNOW?

Fact #1: There is truly no definitive proof that the bird we wait all year to eat was even offered to guests back in 1621. However, they did indulge in other interesting foods like lobster, seal and swan.

Fact #2: The first Macy's Thanksgiving Day Parade didn't feature any balloons. But when the parade made its big debut in 1924, it did have something that might be even cooler than balloons: animals from the Central Park Zoo.

Fact #3: A Thanksgiving mix-up inspired the first TV dinners.

In 1953, a Swanson employee accidentally ordered a colossal shipment of Thanksgiving turkeys (260 tons, to be exact). To get rid of them all, salesman Gerry Thomas came up with the idea of filling 5,000 aluminum trays with the turkey – along with cornbread dressing, gravy, peas and sweet potatoes. They were sold for 98 cents, and were a hit. Within one year, over ten million were sold.
